HISTORY OF GLORIA DEI LUTHERAN CHURCH

Founded on February 11, 1969, by four families. The name “Gloria Dei” means, “Glory to God.” The church grew quickly from its humble beginnings when families worshipped at Nolin R.E.C.C.

The first church was dedicated in 1974. A much larger building was erected in 1988. The Child Care Center was added in 1991 with kindergarten following in 1993. Gloria Dei Lutheran School was opened in August of 2000. The new Fellowship/Education building was dedicated in August of 2003. Gloria Dei gives all thanks to God, our help in ages past and our hope in years to come. Gloria Dei Lutheran School closed in October of 2014.

Gloria Dei is affiliated with the Lutheran Church—Missouri Synod (LCMS) and traces its roots to Martin Luther and the 16th century Reformation. The LCMS conduct missions and support partner churches in 40 countries representing every continent with almost 400 missionaries around the world. The LCMS is known worldwide for our radio program, “The Lutheran Hour”. The LCMS operates the largest system of protestant parochial schools in the United States as well as 12 colleges and seminaries.

MISSION STATEMENTS

***CHURCH**

“In faith and thankfulness to Christ, through word and sacrament, we proclaim, witness, nurture, and teach God’s eternal truth to all people.”

***CHILD CARE CENTER**

Our purpose of the Lutheran Child Care Center is to provide the best quality care and to educate each child in Christ-centered surroundings.

We nurture and encourage each child in the development of spiritual and moral values, as well as social and cognitive skills. Our sharing and caring, in Christian love, creates an environment in which each child can grow and feel safe and accepted for his or her own individuality.

VISION STATEMENT

With God as the Head of our family of children, parents, staff, and congregation members we pursue excellence in the care and safety of each child, to fulfill all their developmental, physical, and spiritual needs.

EQUALITY OF EDUCATION STATEMENT

We admit children of any race, color, national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to children at the preschool and childcare center. It does not discriminate on the basis of race, color, religion, national or ethnic origin in administration of its educational policies, admissions policies, tuition assistance, athletic and other school and childcare center-administered programs.

The preschool and childcare center is responsible to the congregation of Gloria Dei Lutheran Church through the Lutheran School Board. The pre-school and childcare center exist as a service to its members and as an outreach into the community providing a Christian education and quality childcare.

WHAT WE BELIEVE

The Lutheran Church today is a fellowship of over 70 million people in the world who believe the following Biblical truths:

- ❖ The Bible is the inspired Word of God, the only source and authority for faith and life.
- ❖ All people are sinful and in need of God's forgiveness.
- ❖ God loves the world and sent His sinless Son to die for our sins and to rise again to be our Savior.
- ❖ God forgives all who repent and believe in Jesus Christ, God's Son, as Savior and Lord.
- ❖ We are, therefore, saved by Grace through faith, as God's gift to us, not by our own achievements. Love and service for God and people are inevitable fruits of that faith.
- ❖ Through baptism of all ages, God gives new life and adopts us into His family, the Church.
- ❖ Through Holy Communion, we receive Christ's true body and blood together with the bread and wine for forgiveness, strength, and peace.

SPECIAL CHURCH SERVICES

“National Lutheran Schools Week” will be celebrated in January. We encourage and invite you to join us for the special worship service that kicks off this weeklong celebration. Everyone is welcome to stay for refreshments and fellowship after the service. This service gives children, parents, and church members the opportunity to meet and to enjoy fellowship together.

ADULT INFORMATION CLASS

If you would like to know more about what we teach and believe as members of Gloria Dei Lutheran Church and The Lutheran Church—Missouri Synod, we invite you to attend our congregation’s Adult Information Class. We will be happy to tell you when the next class is scheduled.

The class consists of twelve sessions. It’s an opportunity to ask questions and cover a variety of topics. The course book we use is appropriately titled *What Does the Bible Say?*

At each session’s presentation you are welcome to ask questions. There is no cost involved. The materials are a gift to you from the congregation. There is no homework. No one is asked to read aloud. The sessions are designed so that participants are welcome to ask questions and find an enjoyable avenue for learning more about what we believe from God’s Word, the Holy Scriptures.

STAFF

Our early childhood teachers have a degree or years of experience working with young children, both in and out of the classroom.

All staff members stay current with new and innovative teaching methods through training and continued education. They are dedicated to providing an enriching environment that satisfies the needs of all students in the program.

DRESS CODE

- Safety is always our first concern. Sandals, high heels, and **flip-flops are not permitted**. For safety reasons, **bring your child in simple tennis shoes, so he/she may participate in all activities**. Shoes must have a back strap.
- Clothes should be clean, comfortable and weather-appropriate. *We will continue to go outdoors year-round*, even if it is just for a few minutes, to allow the children some fresh air. Any exceptional situations will require a doctor's excuse.
- Children should not have to worry about getting their clothes dirty. Please make sure that they wear suitable "play clothes".
- Please keep in mind that we are a Christian school when dressing your child in shirts with 'logos'.
- Independent use of the bathroom is a big accomplishment for preschoolers. Please help him/her by avoiding clothes with complicated buttons, belts, straps, etc.

Policy To Address Behavior

Staff will guide children with learning behaviors that are acceptable.

Guidance will involve supporting children as they learn self-control, to develop appropriate ways to express feelings and to help them learn appropriate behavior.

If the staff needs additional help in developing these techniques, they will have the following options available to them through the director:

- A staff mentor
- Conferences with parents will be scheduled to assure everyone is working together in the child's best interest
- If needed, a consultation with outside resources will be utilized as appropriate (eg. Child Care Aware, Healthy Start consultant, Communicare Early Childhood Mental Health Specialist, other appropriate resources in the community)
 - In rare circumstances if a child's behavior is found to be a danger to themselves or other children or adults; expulsion may be necessary.

Conflict Resolution

A Peaceful Place

Appropriate resolution of conflict is essential if we are to be a peaceful place, an effective reflection of God's Law and Gospel. Conflicts will be resolved in a Christian manner, following the example found in Matthew Chapter 18 in which Jesus directs us to first to go to the person with whom we are in conflict and then involve others with the goal of restoring relationships.

Everyone must employ Jesus' plan for conflict resolution. Great things can happen when children, parents, staff, pastor, school board members and our congregation handle problems appropriately with love in our hearts and with the desire to simply do what is right.

So, all can be accomplished in good order, the childcare's "Chain of Command" is as follows:

- Teachers
- Director
- Board of Education
- Church Council
- Gloria Dei Lutheran Church Voters Assembly

Due Process (Regarding classroom conflict)

1. Conference with the staff and parents/guardians
2. Conference with the director
3. Conference with School Board

PROGRESS REPORTS AND DEVELOPMENTAL SCREENING

Pre-K and Preschool Parent/Teacher conferences will be held during the second half of the school year. However, all parents are welcome to request a conference any time during the school year to discuss their child/ren's progress. Teachers may also schedule a conference when a special need arises. The purpose of the conferences is to affect a closer home/school relationship in the interest of the Christian education and training of our children.

Developmental screening is an important part of our process to assure all children are receiving the opportunities they need to progress. We use the Ages & Stages Questionnaires for parents to fill out at enrollment and periodically throughout the year. We also use the Brigance Inventory of Early Development III with the Pre-Kindergarten in the Spring. Working with parents we refer children within 30 days of screening to Communicare, Hardin County Schools or First Steps as needed. Parents and classroom teachers work together with therapists to plan strategies to assist the needs of a child, their strategies are written into the lesson plans and evaluated periodically.

TRANSITION SUPPORTS

The transition process for an infant moving to the toddler room begins two to three weeks before his/her first birthday. He/she spends a portion of each day in the toddler with each week being a lengthier visit until the birthday and he/she is ready to stay the whole day in the toddler room.

The transition of a whole group up to the next age level happens on a special "UP" DAY scheduled on the calendar. Parents are notified two to three weeks in advance. It usually happens the day the previous year's Pre-K class starts Kindergarten thus making room for all groups to advance. Open House is usually scheduled the week following the move for parents to explore the new environment and ask any questions they may have.

Individual transitions may occur during the year when class sizes and/or a child's age will allow a child to move to the next level. Notification letters, classroom visits, as well as teacher contact and class routine, will proceed the official moving date.

PHOTOGRAPHS USED IN PUBLIC RELATIONS

Both candid and formal photos are used in the classroom as well as in the local media, website and for marketing brochures. If any parents/guardians do not want their child/ren to be photographed or do not want the photos used in the classroom or outside the school, they should indicate the applicable box on Photo Release in the enrollment packet.

COMMUNICATION

We use the Remind app to communicate any special childcare news to all parents. E.g., closing, special events, health alerts, classroom needs, etc. You can text us as well. Sign up for the app is included in the enrollment packet. Contact the office if you need another form.

You are also welcome to contact the office with any questions you may have. (270-769-5910)

ILLNESS POLICY

In order to protect the health of all the children, **it is essential that parents do not send their children when they are sick.** We have a “kick the sick” form that must be signed if your child is sent home ill. It will give the condition for return to care.

Please refer to the following guidelines.

- When the child has symptoms, such as fever at 100.4 degrees or higher, pocks, rash, diarrhea, vomiting, sore throat, headache, swollen glands, pink eye etc., the child must be cared for at home until the symptoms cease.
- Parents will be contacted if their child displays any of these symptoms and the child must be picked up from childcare within one hour. The child may return after 24 hours if he/she is no longer contagious, is no longer running a fever for 24 hours without medicine and is able to participate within the normal routine.
- Contagious illnesses should be reported to the childcare immediately to protect other children. Notification of exposure to contagious diseases at the childcare center will be posted on the main entry door and a remind message will be sent from the teacher.
- **Outside activities are part of our curriculum and integrated into lesson plans.** All children are expected to participate. If a child is not well enough to be outside, he/she is also not well enough to be at the childcare center. In severe cases, such as chronic asthma, an exception may be considered. **A doctor’s note to excuse outside activities is necessary to make special arrangements.**
- Sunscreen may be applied with a permission slip on file. Sunscreen is to be supplied by the parent /guardian.

MEDICATION PERMISSION

This policy applies to both prescription and non-prescription medicines (including oral and topical medications, injections (e.g., for allergies to stings), and nebulizers).

Written permission must be obtained from a parent or guardian.

Medication will not be given without written permission.

For complete privacy, an individual sign-in sheet is provided.

- Medication must be in the original container; labeled with the name of the medication, expiration date, child’s name, and dosage strength; and stored according to instructions.
- Staff are prohibited from using force to administer medication. If the child refuses to take the medication, it will be documented on the login sheet.
- The physician or parent will administer the first dosage of any medication.
- Staff will administer medications at the following times of the day:
10:00 am, 12:00 noon, 2:00 pm, and 4:00 pm
- No medication will be administered “as needed”, except ointments.
- Medication will be stored in a locked centrally located box, out of reach of children. Medication requiring refrigeration will be isolated within the refrigerator in a separate locked container. Topical and Emergency (epipen) medication will be stored out of reach of children.

- To avoid confusion and distraction, when possible, staff may remove the child from the classroom when administering medication.
- Dosages must be administered using a medicine cup or appropriate syringe for measuring.
- Over-the-counter medications can only be administered according to labeled directions for age and dosage unless noted by a physician.

ACCIDENTS AND EMERGENCYS SITUATIONS

All activities in which the children will be involved will be age-appropriate; safety will always be observed. Accidents, however, unfortunately occur. If your child has been injured in any way – bitten, bruised, fallen, cut, etc., you will be informed by the teacher and/or by an accident report which your child’s care giver will fill out for you to sign. A copy of this form is for you to keep.

If a child becomes ill or is involved in a serious injury while at the LCCC, First Aid and C.P.R. will be administered as needed. Every effort will be made to contact you or someone you have indicated to call in case of emergency. Medical help will be called as needed through 911. A staff person will remain with your child until a parent arrives.

DRILLS

Fire drills are conducted monthly while Earthquake, Tornado and Lockdown drills are conducted quarterly.

FIRE AND EMERGENCY EVACUATION PLAN

In case of a fire or other emergency requiring the building to be evacuated, the children will be escorted across our parking lot. The staff will follow the Emergency/Preparedness plan and the parent should look to the Reunification Plan (provided at enrollment and at the back of this handbook)

CHILD ABUSE AND NEGLECT.

While we hope to never to be faced with these situations, it is important that our policy be clearly stated. We are required by law to report to Child Protective Services any suspicious circumstances having to do with a child’s physical, psychological, emotional health or well-being.

FOOD/MEALS

Children will be served food prepared only by the childcare center unless a special diet is required by a doctor in writing.

No food or drink may be brought into the childcare center. If your child needs to eat breakfast at the center, please indicate yes or no when you sign in with your child. Breakfast and lunch times are listed below:

REST TIME

All infants, toddlers, and preschoolers are scheduled for a rest time. Infants usually take at least a morning rest and an afternoon rest. Cribs and crib sheets are provided by the childcare. All other children in these groups rest for two hours soon after lunch. The childcare provides the rest mats. Parents need to provide a standard crib sheet and a small blanket.
