

Gloria Dei Lutheran School and Childcare Center Photo Release Form

Throughout the school year our children at Gloria Dei participate in special events that may be photographed by Gloria Dei staff members. We would like your permission to use some of these photographs for our special events link on our website as well as submissions to our local newspaper "The News Enterprise" for print in their Monday edition of Kid News.

It has been a common practice here at Gloria Dei to submit photographs to our local newspaper so that we can share our precious moments with friends and family members. However, loved ones who are not in our surrounding area are unable to participate in this exciting form of communication. Posting some of our events on our website (gdlschool.org) and Facebook page will enable our Gloria Dei soldiers, grandparents, as well as other family members and friends to have the ability to see what we are doing throughout the school year. They will be able to access our monthly Newsletters, the calendar of events for the school year, and more.

To ensure the confidentiality of our families, there will be **no names listed on photographs that are posted on the website.**
